Vacant land for sale in Franskraal

This lovely 654sqm plot is situated on the boundary of Franskraal and Van Dyksbaai, with views of the Klipfonteyn area. If a multi-level house is built on this property, the sea views will be maximized. This would be an excellent location for a family/retirement/vacation home. Franskraal is a seaside community near Gansbaai, situated between the neighboring town of Van Dyksbaai to the west and the mouth of the Uilkraal River to the east. The R43 highway runs along the northern outskirts of the town. To view this property, feel free to contact me.
