### Final Chance to Build by the Sea

Tucked in the heart of Kleinbaai's rapidly developing Groenberg area lies this 600 sqm stand — one of the final opportunities to invest affordably so close to the ocean. Elevated for scenic views and north-facing for year-round sunlight, the plot also boasts a modern, cost-saving waterborne sewage system already in place. Surrounded by natural beauty and coastal adventure, you're just minutes away from a tidal pool, pristine beaches, and world-famous shark cage diving and whale watching. Gansbaai is a short 5 km drive, offering added convenience. With no transfer duty and only legal fees to consider, this is your chance to claim a peaceful escape without compromise.
